

## WAITSFIELD

## Memorial Day Had Fitting Observance on Tuesday.

Memorial day was fittingly commemorated here. The town was attractively decorated with flags and bunting. In the morning veterans' graves in the cemeteries were decorated under the following G. A. R. command: Village, Capt. H. N. Bushnell; meadow, H. M. Waite; common, E. M. Savage; Irasville, William W. McAllister.

At 1:30 p. m., the G. A. R. procession formed in front of library hall, escorted by the Watsfield cornet band, augmented by members of the Moretown band. Twenty members of Ainsworth post, No. 36, G. A. R., and about 12 Sons of Veterans were in the procession.

The following program was given in I. O. O. F. hall: Music by the band; prayer, Rev. Isaac Mellor, pastor of M. E. church; reading, paper "Memorial Day," Alice Bisbee. Chairman P. B. Gaylord next announced that Miss May Gleason would give several selections on the victrola, the first being Lincoln's Gettysburg address, the second a medley of patriotic songs and the third, "The Charge of the Light Brigade."

An impressive service was that of decorating a cross on the platform in memory of Ainsworth post members who lie in southern graves. This was done by the village grammar school children, while Miss Edna Boyce presided at the piano.

The address of the day was given by State's Attorney Fred E. Gleason of Montpelier and was an earnest plea that the remembrance of the brave deeds of Vermont citizens in the revolution of 1812 and the Civil war be an incentive to the present generation to emulate the example of their forefathers in their devotion to principles of liberty and equal rights. What Mr. Gleason said of Watsfield's part in the late rebellion is worthy of remembrance. The number of soldiers was 95; number of these seeing active service, 87; ten died of illness and eight died in action. Of the 87 who went were four captains, two second lieutenants, three sergeants and 11 corporals.

Town paid bounty for nine-months' men \$575

Three-year men 6202

Vermont was the first of any state to pay its debt, notwithstanding the fact that Vermont paid them \$7 per month and sent one for every ten of population.

At the close of the address, the audience sang "America."

It does not often take many days of such regular care with Resinol Soap to show an improvement, because the Resinol medication soothes and refreshes the skin, while the perfectly pure soap is cleansing it.

Resinol Soap and Ointment heal eczema and similar skin eruptions and usually stop itching instantly.

## NO SIGNS OF PEACE

Basis Not Expressed by the German Chancellor

## NO DESIRE TO END WAR, SAYS ASQUITH

Only Allies' Terms Acceptable and Wilson as Mediator Opposed by British

London, June 1.—Premier Asquith stated in the House of Commons yesterday in answer to a question put by Sir Arthur B. Markham, Liberal member for the Mansfield division of Nottinghamshire, that there was nothing in the recent statement made by Dr. von Bethmann-Hollweg, the German imperial chancellor, that indicated Germany was prepared to consider terms of peace, which would safeguard the interests of the entente allies and the future peace of Europe. The prime minister said he did not think he could usefully add anything to the speech made last week by Sir Edward Grey, the British secretary for foreign affairs.

Sir Arthur's question apparently was designed finally to set at rest any suggestion that the entente allies were prepared to accept intervention. In putting his question he alluded to the fact that in the German reply to the latest American note, it was pointed out that Germany had twice announced her readiness to make peace. He then asked: "Whether the allies were prepared to avail themselves of the good offices of a neutral state in order to communicate to the German government definite terms on which they would be willing to make peace, provided the German government was prepared to make in the same way, and at the same time, a communication to the allies of definite terms on which Germany was willing to make peace."

The premier's reply was received with cheers.

## CHURCHILL WARS ON KITCHENER

He Charges Inefficiency in His Speeches in the House of Commons.

London, June 1.—Lord Kitchener, head of the British war office, was made the target for the harshest criticism heard in the House of Commons since the beginning of the war yesterday afternoon, when Col. Winston Churchill, former first lord of the admiralty, arose to discuss a motion to reduce Kitchener's salary. Churchill charged the war office with "grave mismanagement," "inefficiency" and "defective organization."

"For every six soldiers in the British army we have but one rifle levelled at the enemy," declared the former admiralty chief.

Churchill criticised the war office for breaking up seasoned battalions by sending them into slaughter while they had thousands of other troops behind the lines.

He cited the case of the 9th Scottish, which lost 6,000 out of 9,000 infantrymen in the bloody struggle at Loos. "Balklava, with the charge of the Light Brigade, paled before the deeds of these men," said Churchill. "Yet the public knew nothing of the manner in which they went to their death."

Under Secretary for War Tennant undertook a defense of Lord Kitchener. Tennant said steps had been taken to send freshly drilled recruits to the fighting line, but that from the military standpoint, it would be poor policy to oppose the Germans with forces, all of which were comparatively "green."

## MONTPELIER SEMINARY

Plans for a Very Active Commencement Next Week.

All indications point to a delightful commencement week at Montpelier seminary this year. Activities will begin on Saturday evening, June 3, with a recital by Miss Gladys Balentine of Plainfield, a graduate in elocution. A Greek drill under the direction of Miss Florence Southward Hinkley, instructor in elocution, will be a part of the program.

"The Japanese Girl," an operetta in two acts, is to be given on Monday evening, June 5, as the commencement concert. There will be a chorus of 20 young ladies in costume, with Miss Gladys Tupper in the principal role, and also a fan drill. In the class day exercises, Gerald H. Clarke of Moretown, president of the senior class, will give the address of welcome; Miss Mary Welch of Northfield, the class history; Miss Gladys Thompson of South Ryegate and W. Neal Roberts of Williamstown the class prophecies, and Miss Louise Spencer of Lyndonville the class will. Raymond R. Wells of Middlesex has been chosen as class poet. ## Glenwood

"It certainly does make cooking easy"

Complete Gas Range attached to the end of Coal Range.

## Glenwoods are Brim Full of Good Things

The Glenwood Balanced Baking Damper is far ahead of any other—it is as positive as the turning of a railroad switch—open to start the fire, closed to bake—just this one damper for kindling or baking and best of all, it can't warp or stick.

The Glenwood Revolving Coal Grate is easy to shake at all times, and simply fine for removing clinkers. It is triangular in shape, with three different sides for wear.

The Ash Pan rests on a roller bearing frame—just open door and it rolls out at the slightest touch, neat and clean.

The Glenwood Shelf Under Oven Door is not stationary—it automatically raises and lowers as oven door is opened or closed. It is always level with oven bottom—a great convenience when basting meats or removing food.

The Glenwood Sectional Top is interchangeable—cross pieces can not warp—a wash boiler can be placed at the back as well as in front for quick heating, leaving the front holes free for cooking.

Glenwood Iron is smooth and perfect—the easiest of any to clean—a real delight to the most exacting housekeeper. Get one and you'll be glad ever after.
